Mr. Brian Jessel
Sharky's Mesquite Grill
Cabo San Lucas, BCS

Dear Brian:

Thank you so much for hosting Los Cabos Tomatoes, the ladies social and networking organization, on Thursday, April 10, 2014 at Sharky's. The 70 members and guests who attended are very grateful to have had the opportunity to experience your restaurant.

Sergio and his staff did a great job in furnishing the appetizers and the very satisfactory service. Your generous hospitality gave us a good example of what we can expect when we return. The appetizers were delicious and so obviously freshly prepared. Many of our members have already been enjoying your restaurant and now, after meeting there, you undoubtedly will see many more "Tomatoes" visiting your establishment on a regular basis.

Please extend our sincere thanks to your able staff. We look forward to seeing you individually as well as a group for a future event at Sharky's.

Sincerely,

LOS CABOS TOMATOES
